Declaration

I, being the Licenced Operator named overleaf or a duly authorised representative of that Licenced Operator acting on its behalf, agree to abide by, and ensure that the Alternate Operator abides by, the terms and conditions of the relevant Racecourse Licence Agreement and to act in accordance with the following:

1. List Positions and pitches may not be rented out.
2. An Alternate Operator must adopt the trading persona and responsibilities of the Licensed Operator – e.g. insignia, tickets, social responsibility policy, public liability insurance, PAYE arrangements, taxation, levy payments, betting exchange accounts, Gambling Commission fees, etc.
3. Only persons on the Schedule X (not Schedule Y) of the Operating Licence of the Alternate Operator may act on behalf of the Licensed Operator.
4. Late pay claims received centrally by RBC Ltd. will be addressed to the Licensed Operator.
5. List Positions must be operated subject to the terms and conditions of entry to the racecourse and the Position Allocation Policy.
6. A fee of £150 (including VAT) per race day is payable to register an Alternate Operator (payment **only** by telephone using a debit/credit card on 01484 448200).
7. Failure to comply with these terms and conditions will result in the application to register an Alternate Operator being declined. Alternatively, where appropriate and without warning, the Alternate Operator may be stood down by the BRM.
8. Please note that we require the information and documents requested in this form in order to ensure that there is compliance with s.92 of the Gambling Act 2005 and with clause 4.4 of the Racecourse Licence Agreement in operation at most racecourses. RBC will hold all records in compliance with all provisions of the Data Protection Act 1998. These records may be made available to appropriate authorities by RBC Ltd.
9. Please note that RBC will not recognise the existence of any partnership unless the partnership is registered with the Gambling Commission, is in receipt of a general betting Operating Licence from the Gambling Commission and the partnership is named as the Licensee on the Racecourse Licence Agreement issued by the relevant racecourse.
